# Launch with Country: Installation

---

1. Go to <https://bongous.com/> and login

2. Get the **API Key**, **CHECKOUT\_URL**:

Bongo Checkout/Configure/Checkout Page: URL:

3. Within your Big Commerce administration area, navigate to **Users** and select to Edit your account.

Open your User account by clicking on **Edit**:

4. Copy both the API Username and API Token.

#### Edit Legacy API Account

- Open **bongocheckout.countries.js** in a text editor, and replace the following information, starting at line 10:

```
5 String.prototype.trim = function() {
6     return this.replace(/^\s+|\s+$/g, "");
7 }
8
9 var BongoCheckout = {
10     api_url: '/api/v2/products/', // BigCommerce (DO NOT CHANGE)
11     partnerKey: 'YOUR PARTNER KEY BONGO',
12     api_token: 'YOUR API TOKEN BIGCOMMERCE',
13     api_username: 'YOUR USERNAME TO API BIGCOMMERCE',
14 }
```

**partnerKey:**

The Bongo partner key provided by your implementation specialist or obtained from your Bongo Partner Portal.

**api\_token:**

The API Token copied in step 3.

**api\_username:**

The username you use when logging into the administration area of Big Commerce (i.e. 'admin' as shown in the image).

- Open **bongocheckout.countries.js** in a text editor, edit lines 13 and 14. If you want to charge a flat rate domestic shipping per item, choose true. If you want a flat rate per order, choose false. Then choose the domestic flat rate per item or per order on line 14:

```
per_item_shipping: false,
shipping_cost: 10.00,
```

```
1 String.prototype.stripHTML = function() {
2     return this.replace(/<([>]+)>/ig, '');
3 }
4 String.prototype.trim = function() {
5     return this.replace(/^\s+|\s+$/g, "");
6 }
7 var BongoCheckout = {
8
9     api_url: '/api/v2/products/', // BigCommerce (DO NOT CHANGE)
10    partnerKey: '7625511ed3383939386558db5e52c27b', //Bongo Partner Key
11    api_token: '6bb5133b79ce99923e96031b07c31114d31e7dc7', // api token BigCommerce
12    api_username: 'admin', // BigCommerce
13    per_item_shipping: false, // If this is set to 'true' then shipping value set below will apply to each ITEM
14    shipping_cost: 10.00, // replace 10.00 for your shipping cost
```

7. Create a folder in your webdav and named it "content"

```

- Go to Design > Template Files > **Snippets/ExpressCheckoutConfirmation.html**  
Insert the code below BEFORE the closing **form** (MAKE SURE TO REPLACE **"CHECKOUT\_URL"** with the one we give you!). immediately after line **136**:

```
<form name="BongoCheckoutForm" method="post" action="CHECKOUT_URL"></form>  
  
<script type="text/javascript" src="content/bongocheckout.countries.js"></script>
```

```
130         else {  
131             $('#CheckoutStepPaymentDetails').show();  
132         }  
133     });  
134 </script>  
135 </form>  
136  
137  
138 <form name="BongoCheckoutForm" method="post" action="https://transaction.bongous.com/pay/d4122/index.php"></form>  
139 <script type="text/javascript" src="content/bongocheckout.countries.js"></script>
