

White Papers | Pinnacle Cart - Version 3.7.12 R3

# Installation

1. Log in into your Pinnacle Cart account.
2. In a left navigation pane, click Cart Settings > Payment, Shipping & Taxes > Payment Methods.
3. On “Payment Configuration” tab, under “Supported Payment Methods” choose “Bongo Checkout” and click “Activate” button.

The screenshot displays the Pinnacle Cart admin interface. The top header shows the Pinnacle Cart logo and version 3.7.12 R.3. The left navigation pane includes sections for 'Most Used Items', 'Admin Menu', and 'Cart Settings', with 'Payment Methods' selected under 'Payment, Shipping & Taxes'. The main content area is titled 'Payment Methods (Quick Setup)' and features tabs for 'Payment Configuration', 'Manage Payment Options', and 'Signup For a Payment Processing Account'. The 'Payment Configuration' tab is active, showing a section for 'Supported Payment Methods'. A dropdown menu is open, listing various payment solutions, with 'Bongo Checkout (active)' highlighted. An 'Activate' button is visible next to the dropdown. Below the dropdown, there are sections for 'Need a Payment Solution?' and 'PayPal Payments Advanced'.

4. Go to the “Payment Settings” Tab and paste your Bongo Partner Key in the “Partner Key” text box.

URL to gateway

7. Copy the callback URL from “Payment Settings - Bongo Checkout” page from your Pinnacle Cart Admin Area into Bongo account area "Step2: Orders" > "HTTP Notification" > "Callback Url" text box, then select the "Activate service" radio box and Click Save.

**Please Note:**

To finish Bongo Checkout setup, you have to complete following steps:

1. In Bongo account area, find your "Partner Key" and copy/paste it into "Partner Key" text box in "Payment Settings" tab of this page.
2. In Bongo account area, in left-side menu, click "Checkout Page", copy Checkout page URL and enter it into "URL to gateway" text box in "Additional Settings" tab of this page.
3. Copy / paste following URL into Bongo account area / "Step2: Orders" / "HTTP Notification" / "Callback Url" text box:  
`http://projects.pinnaclecart.com/bongo/content/engine/payment/bongocheckout`  
Then select "Activate service" radio box and hit "Save / Update" link.
4. Copy / paste following URL into Bongo account area / "Tracking/Confirmation" / "Continue Shopping / Go Back URL" text box:  
`http://projects.pinnaclecart.com/bongo/content/engine/payment/bongocheckout`  
and click "Save" link.
5. When all previous steps are done, go to Bongo account area / "Bongo DC" link on a left-size menu and pick your Bongo Shipping Location. Choose nearest to you location and click "Save / Update" button. On a last step you will have to enter selected location address into Bongo Checkout area, Distribution Center Address tab

8. Copy the tracking URL from the same page into Bongo account area "Tracking/Confirmation" > "Continue Shopping / Go Back URL" text box and click "Save".

**Please Note:**

To finish Bongo Checkout setup, you have to complete following steps:

1. In Bongo account area, find your "Partner Key" and copy/paste it into "Partner Key" text box in "Payment Settings" tab of this page.
2. In Bongo account area, in left-side menu, click "Checkout Page", copy Checkout page URL and enter it into "URL to gateway" text box in "Additional Settings" tab of this page.
3. Copy / paste following URL into Bongo account area / "Step2: Orders" / "HTTP Notification" / "Callback Url" text box:  
`http://projects.pinnaclecart.com/bongo/content/engine/payment/bongocheckout`  
Then select "Activate service" radio box and hit "Save / Update" link.
4. Copy / paste following URL into Bongo account area / "Tracking/Confirmation" / "Continue Shopping / Go Back URL" text box:  
`http://projects.pinnaclecart.com/bongo/content/engine/payment/bongocheckout`  
and click "Save" link.
5. When all previous steps are done, go to Bongo account area / "Bongo DC" link on a left-size menu and pick your Bongo Shipping Location. Choose nearest to you location and click "Save / Update" button. On a last step you will have to enter selected location address into Bongo Checkout area, Distribution Center Address tab

9. Go to Bongo account area "Bongo DC" and pick your Bongo Shipping Location, and click the "Save / Update" button.

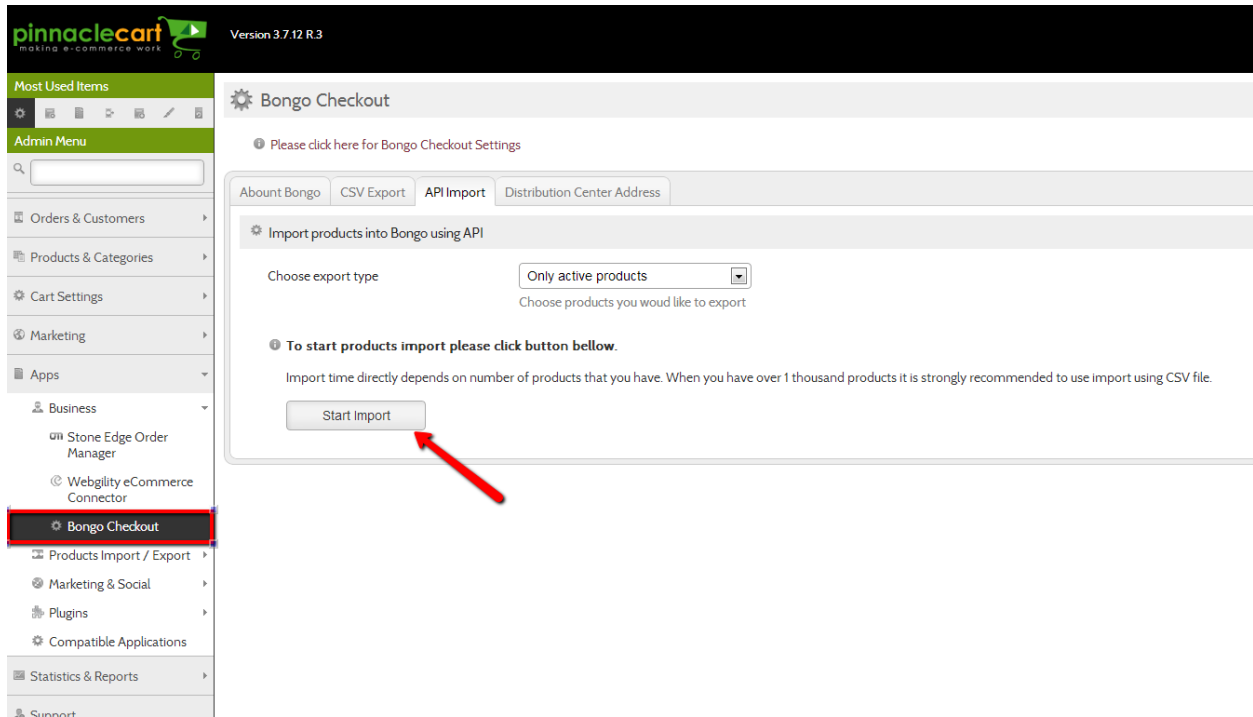

10. In Pinnacle Cart Admin area, click Apps > Business > Bongo Checkout, then click "Distribution Center Address" and paste Bongo Shipping Location Address there, and click the "Save Changes" button.

The screenshot shows the Pinnacle Cart Admin interface. The top left corner features the Pinnacle Cart logo and the version number 3.7.12.R3. A sidebar on the left contains a navigation menu with categories like 'Most Used Items', 'Admin Menu', 'Orders & Customers', 'Products & Categories', 'Cart Settings', 'Marketing', 'Apps', 'Business', 'Products Import / Export', 'Marketing & Social', 'Plugins', 'Compatible Applications', 'Statistics & Reports', and 'Support'. The 'Bongo Checkout' option is highlighted in the 'Apps' section. The main content area is titled 'Bongo Checkout' and includes a sub-section for 'Distribution Center Address'. This section contains a form with the following fields: 'Company name' (Bongo), 'Attention to' (Customer Name), 'Address line 1' (861 E. Sandhill Ave.), 'Address line 2' (MB# 124573), 'City' (Carson), 'State/Province name' (California (CA)), 'ZIP/Postal Code' (90746), 'Phone' ((203) 683-4894), and 'Country' (USA). A note above the form states: 'Please copy/paste preferred Bongo distribution center address. You can find it in your Bongo account area, under Configure / Bongo DC menu item. Please use address for shipments containing a Single Order. Please note: all fields are required'.

## SEND NEW PRODUCTS TO BONGO

1. In a Pinnacle Cart Admin Area, go to Apps > Business > Bongo Checkout, and go to the API Import tab.

2. Choose export type and click “Start Import” button. Please do not close your browser page or go to other page until import is done.

The screenshot displays the Pinnacle Cart Admin Area interface. The top header shows the Pinnacle Cart logo and the version number 3.7.12 R.3. The left sidebar contains the Admin Menu, with the 'Bongo Checkout' option highlighted in a red box. The main content area is titled 'Bongo Checkout' and features a navigation bar with tabs for 'About Bongo', 'CSV Export', 'API Import', and 'Distribution Center Address'. The 'API Import' tab is active, showing the 'Import products into Bongo using API' section. This section includes a 'Choose export type' dropdown menu set to 'Only active products' and a 'Start Import' button. A red arrow points to the 'Start Import' button. Below the dropdown, there is a note: 'To start products import please click button below. Import time directly depends on number of products that you have. When you have over 1 thousand products it is strongly recommended to use import using CSV file.'

## SEND THE DOMESTIC TRACKING NUMBER TO BONGO

1. In a Pinnacle Cart Admin Area, go to Order & Customers >Orders and click in the order.
2. Under Shipping Information, enter the domestic tracking number in the “Enter Tracking Number” field.
3. Select the “Send tracking information to Bongo” checkbox.
4. Click Save changes.
