

## PrestaShop Implementation Guide

1. Locate the folder where PrestaShop is installed on your server and **backup the following files**:
  - a. <Store root folder>\classes\ **Customer.php**
  - b. <Store root folder>\ themes\ prestashop \js\ **order-address.js**
  - c. <Store root folder>\ themes\ prestashop\ **order-address.tpl**
  - d. <Store root folder>\modules\blockcart\ **blockcart.tpl**
  - e. <Store root folder>\ **order.php**
  - f. <Store root folder>\ themes\ prestashop\ **shopping-cart.tpl**
2. **Upload** the files in the *prestashop* folder that comes with the Bongo Checkout module.
3. **Insert the code below into the file <Store root folder>\ config\config.inc.php and replace YOUR PARTNER KEY and YOUR CHECKOUT URL.**

```
define('PARTNER_KEY', '6b00c3d7e6c8d65ddb9db0161a1077ca');  
define('BONGOUS_ACTION', 'https://bongous.com/pay/a597b/index.php');
```
