

Zeus Cart Implementation Guide

Zeus Cart v 3.0

1. Backup the following file.

<root> / classes / Display / AAddCart.php

2. Copy the *classes* folder into the <root> folder where you've installed Zeus Cart.

3. Open <root> / Bin / Configure.php and add the following lines:

```
define('PARTNER_KEY', '6b00c3d7e6c8d65ddb9db0161a1077ca');  
define('BONGOUS_ACTION', 'https://bongous.com/pay/a597b/index.php');
```
